Re: Temp Cast 2001 Masonry Heater

Dear Mr. LaGamba:

Thank you for submitting the burn test results and the product literature for your masonry fireplace units. The Temp Cast units meet our emission and other criteria for installation and use in Washington.

These units can be sold and installed for use in Washington during any air quality conditions that EPA exempt wood stoves are allowed to operate.

If you have any questions, do not hesitate to contact me at (206)407-6810.

Sincerely,

Alan Newman, P.E.
Environmental Engineer
